Welcome to the 2021 edition of the Definitely Different Hereford Sale.

As a fellow Hereford breeder with a vested interest in our breed it is exciting to welcome you to Ridgeview Farm for this year's sale. Demand for good Hereford cattle is high, prices are encouraging for the cow/calf producer and bull sales have been brisk. The time is now to improve your genetic base and quality of your herd.

All involved have worked hard to bring you a sound, productive and genetically appealing set of cattle for your appraisal. Even though the four firms involved have somewhat different breeding programs and objectives they offer a set of cattle that fit together nicely. Many selling have Genetically Enhanced EPDs, are A.I. sired or mated to a leading A.I. sire. The mature cows offered are fertile, with good udders and milk flow. There are several top end herd bull prospects and heifer calves that can show locally, statewide and beyond. Finally, a select set of bred yearlings from the heart of their groups. This offering will work well for the purebred or commercial producer.

Each consignor as well as any member of the sale staff is available to assist with your needs regarding the cattle selling or sale day assistance with purchasing or transportation of lots purchased. Once again if you are unable to attend the sale is broadcast by LiveAuctions.TV.

We want to thank the Goble family for again hosting this event and Jami for her warm hospitality.

If I can assist in any way please call.

Respectively,

Dale Stith

Auctioneer/Sale manager

HERE'S HOW IT WORKS

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account.

Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

- Sale feature! Exceptional young 2-year-old that is from the heart of our program. She is the kind we all look to find. She stood second in class as a calf in Louisville and it just proves show heifers can make cows! She is a beautifully uddered powerhouse female.
- Pasture exposed to Bar Star Fresh Prince 018 ET from 5/7/21 to 7/31/21, with an estimated calving date of 3/31/21.
- Lot 2A: The 114J Logic May heifer calf at side is a fancy version of her mother. Just love the way her head comes out of the top of her shoulder. She will certainly handle a lot of competition.

- What a place to start the Ridgeview program, Stockling is our breeding through and through. She's off age to our normal program but she definitely has that "wow" factor
- Beautifully designed in structure, femininity and mass. If the boys were still showing this one here would have been the one to hang the banners..Great set of numbers hold this whole package together. Sells open ready to breed to the bull of your choice. Who? Perfecto? Blueprint? Imagine the possibilities.

- Now this little cow can flat raise one! Perfect udder, cool fronted, femininity by design.
- What a job she has done on her fancy heifer calf, Bred to Duke, she will do it again!

- Real sweetheart of a cow raising a big strapin bull calf. Real true in lines, sound to the ground. This cow is one of the very productive individuals you will see sell this fall.
- Bred to Duke for an early calf, the possibilities are endless.
