To Grand Rapids

Welcome to the 2022 edition of the Definitely Different Hereford Sale.

It gives me great pleasure to welcome everyone to Ridgeview on October 8, 2022.

What a crazy rollercoaster ride this year has been. Heat like we are not used to and dry that we are not accustomed to, finally the weather has straightened in our favor and feed will be plentiful.

What an exciting lineup the consignors have put together. Scott McDonald and crew have scoured the nation to bring the bull power to Michigan for your appraisal, it will be exciting group for sure. Landrum Family and Grand Meadow dig deep every year to bring their best. We also welcome the U.P. Group for the first time. Outcross genetics will make their debut in southwest Michigan in the Definitely Different sale this fall.

Our close friends have band together to give you a second to none, one stop shop for Herefords!

With all the turmoil in the world it sure is nice to be a part of the best breed of cattle in the world. Hoping everyone has had a great summer and we look forward to seeing you on October 8th!

Bob

HERE'S HOW IT WORKS

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account.

Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

- An only daughter of Enticer, who might be the best breeding bull of Kilowatts!
- Beautiful fronted with lots of maternal qualities.
- Bred to RVP 100W Duke 31D (Reg. #P43769388) due to calve before sale day. Checked safe.

GCC JPF LBB Enticer A117 — Sire of Lot 49

Lot 50 — Goble Little Miss thing 705J

- This heifer here you can take to the bank! I believe she has one of the most predictable pedigrees in the breed.
- Full sister to Conquest, Duke cross Kilowatts out Peaches.
- Yes, she is a different age group, not sure if we will breed her before the sale. So close to making her a fall calver.
- If your wish is to own a great one, don't miss this opportunity.
